PRAYER GUIDE

This year at Oakhill Baptist Church we are emphasizing the importance of prayer by providing a monthly prayer guide that will help structure and organize the prayers of our people. Each month a new guide will be distributed and a new theme will be introduced. Our hope is that by using this prayer guide we will see an increase in reliance on prayer in our church and that God would gain much glory and honor in the spiritual growth of his people.

June Theme: Community Outreach

In June, we want to pray for our church's efforts to reach the community around us with the love and hope of Jesus Christ. Without God's hand being on the work that we are trying to accomplish, we will never have any success that will make a difference for the Kingdom of God. We need God's wisdom, direction, and power to reach our community.

Week 1—Community Outreach

This week pray that God would give you a greater burden in your heart to reach your community.

- Ask God to help you see the needs of others around you so that you could help them in the love of Jesus.
- Pray that God would use our church to continue reaching people for Christ through the different outreach ministries that we organize.
- Pray for an opportunity for you and your family to build relationships with another family that does not believe in Jesus. Think creatively about how you could share Jesus.
- Thank God for giving you the Christian community that you have ask him to burden your heart for those who have not yet experienced adoption into God's family.
- Pray that God would send you wherever He wills.

Week 2—Food Pantry Ministry

This week pray for our outreach to people who come through our food pantry ministry.

- Pray that both the physical and spiritual needs of people who come through our food pantry would be met. Ask God to save people through this ministry.
- Pray that God would provide job opportunities and financial support to those we help that are hurting and cannot provide for themselves at the moment.
- Pray for God to heal and provide medical help to those we help who are suffering from many health problems.
- Pray that our suppliers of food would continue to supply us with the food we need to help those who are suffering.
- Pray for God to send more people who are in need so that we can build relationships with them and share Jesus with them. Ask God to send more volunteers to this ministry.

Week 3—Harwood School Ministry

This week pray for our church's outreach to Harwood Career Preparatory High School.

- Pray for the students, the faculty, the administrators, and the families of Harwood. Ask for God to bring many of them to salvation through our outreach to them.
- Praise God for this unique partnership and pray that our relationship with the school would continue to flourish and give us many more future opportunities.
- Pray that through our events at the school we would see spiritual fruit in the lives of those we invest in.
- Pray for those who mentor students to be able to show the love of Jesus and to have a gospel conversation.
- Pray that God would heal the brokenness in the families and the students of Harwood by his gospel.

Week 4—Vacation Bible School

This week pray for our outreach through Vacation Bible School.

- Pray all of the children that will be attending our VBS this year. Ask for God to make the gospel clear to them so that they might hear it and believe in Jesus.
- Pray for all of the teachers and volunteers that are needed to make VBS happen. Thank God for their willingness to serve our community through this event.
- Ask God to send us many people who do not know Jesus. Pray that families would come to believe in Jesus and begin attending our church as a result of VBS.
- Pray that kids who are believers would be challenged to grow in their faith from the intentional teaching at VBS.
- Ask God to work through VBS at other sister churches in our city. Pray that those other churches in our Baptist association would see much fruit from hosting their VBS.
